

PennFuture Hard-to-recycle grants

We're not above bribing you! Hard-to-recycle grants available:

The Black and Gold City Goes Green has small reimbursement grants of up to \$50 available, in limited quantity, for our community partners. The grants will be given to defer the cost of recycling items at the July 17 "Hard to Recycle Collection" from 10:00-2:00 at the Pittsburgh Mills Mall. We may extend this to future Hard-to-recycle events.

Mail or fax this form along with your receipt to PennFuture or give it to the Black and Gold City Goes Green representative at the event. Grants will be awarded on a first-come first-served basis until our funds are exhausted, up to \$50 per partner group. If your bill from the event comes to less than \$50, we will only reimburse for that amount.

Mail or fax the actual event receipt with this form, or give them to the B&GCGG rep. at the event no later than July 26 to:
